Subject: Bi-Weekly Pay Cap

Hi Yolanda,

As you probably know we had EPA staff working on the Gold King Spill over the weekend, at the COOP and in the field.

Starting with last pay period which ended August 8, 2015, we would like to request that you lift the bi-weekly pay cap for Mark Hayes and Eric Delgado.

Starting with the pay period we are now in, we need to get the pay cap lifted for the following:

Kenneth Shumake

Althea Foster

Joan Drammeh

Angela Restivo

John Rauscher

Phil Turner

Cynthia Brown

John Rinehart

Derek Ragon

Mark Hayes

Janie Acevedo

Mark McCasland

Jenna Manheimer

David Gray

Carmen Assunto

Chris Petersen

Ronnie Crossland

Susan Webster

John Martin

Matthew Loesel

More names may be added to this list later.

During previous events, a letter was provided to Ray Rodriguez from the Regional Administrator, requesting that pay caps be lifted. We did this most recently in the Mooring Support Oil Spill. I was told that most recently you developed this letter, however if you would like for me to provide this letter for signature, please let me know.

You can reach me at 214-789-9283 cell, or in the REOC Monday at 214-665-9705.

Thanks for your help.
